Votre location / Your rental

Located in the beautiful town of Anses d'arlet in the south of Martinique, this charming 2 bedroom villa with pool is secured by a gate and a fence.

To access the villa from the parking lot (2 places) we chose to pass by the outside on the side of the magnificent pool. You can enjoy a few moments of the sea view around the pool of 7*3m treated with salt.

Open to the outside, you will be able to access the equipped kitchen and the living room in the same space. Whether you are in the kitchen or in the two armchairs, you can watch the channel program you want.

Need to wash up? You will find a toilet with a sink near the kitchen and the entrance door.

On either side of the living room you will find the two air-conditioned bedrooms with a king size bed, a small desk, a wardrobe and an adjoining bathroom with toilet and walk-in shower. Both living areas overlook the pool and terrace. A sofa bed can be used as a bed for a child.

The villa is very well located in a fishing village. In the morning you will find a car serving fresh bread and pastries. From the villa you can watch for the arrival of the fishermen and buy fresh fish.

For adventure seekers, there is a small path by the sea that leads to dlo ferré, a hot water pool and a photo spot.

On the way to the small cove you will find a supermarket to buy some products.

Along the beach you have the choice between all the local restaurants for lunch.

About 15 minutes by car is the beach of Grande Anse ideal for activities and swimming with the turtles.
